The Holy Trinity Round-Up Plan asks all parishioners to calculate their current giving as a percent of household income.

1. 2020 Household Income: $____________

2. 2020 Total Stewardship Commitment: $__________

3. Divide Line 2 by your 2020 Household Income (Line 1) and round up to the next highest whole number: __________ (for example, if the percentage is 1.6%, round-up to 2%). This is your new suggested rounded-up percentage.

4. 2021 Estimated Income: $__________

5. Multiply Line 6 by your new rounded-up percentage (Line 3): $__________. This is your suggested 2021 stewardship pledge. Enter this number on your 2021 Stewardship Commitment Card.
Round-Up Plan Worksheet (for personal use only)

The Holy Trinity Round-Up Plan asks parishioners to calculate their current giving as a percent of Household Income.

1. 2020 Household Income: $75,000

2. 2020 Total Stewardship Commitment: $1,200

3. Divide Line 2 by your 2020 Household Income (Line 1) and round up to the next highest whole number: 1.8% - round up to 2%. This is your new suggested rounded-up percentage.

4. 2021 Estimated Income: $80,000

5. Multiply Line 4 by your new rounded-up percentage (Line 3): $1,600. This is your 2021 suggested stewardship pledge. Enter this number on your 2021 Stewardship Commitment Card.
